To Whom It May Concern

This is to certify that **Nikhil Malvi** has successfully completed a 3-months internship in Data Science at iGurus Service Consultancy LLP from **25th Nov 2024** to **25th Feb 2025**. During this period, the intern was engaged in a **Data Science and Analytics** role and actively participated in hands-on projects and tasks under expertmentorship.

Throughout the internship, the intern demonstrated a strong understanding and application of key concepts such as Python programming, data preprocessing, data visualization, and machine learning. The performance was marked by professionalism, punctuality, a keen willingness to learn, and the ability to grasp new concepts quickly. We found the intern's interpersonal and technical skills commendable, and are confident in the potential to be a valuable asset to any organization in the future.

We appreciate the contributions made during the internship and wish all the best in future endeavors.

Sincerely,

NIDHI
